RE: Please Stay In Touch With Us So We Can Help

Our world, our nation and our community are now confronting a health pandemic unlike any we have faced in more than a century. The COVID-19 pandemic threatens to impact every aspect of our daily lives and may trigger sustained reductions in economic demand and household income.

Please contact your asset managers if you have experienced a change in income. The CRHA Rental Office wants to help residents so they can easily report income changes and make rent adjustments quickly. The CRHA will:

1. Waive any late fees which accrue between March 15, 2020 and July 31, 2020 for residents who suffer lost income as a result of the crisis; and
2. Apply the hardship exemption for residents broadly and liberally when it is requested as it relates to loss of income due to COVID-19 (When applied, this means that CRHA will waive the minimum rent requirement if a resident loses all income due to COVID-19).

Sincerely,

Betsy Roettger, Chair, CRHA Board of Commissioners

Kathleen Glenn-Matthews, Interim Executive Director, Charlottesville Redevelopment Housing Authority
